

Hanging baskets made easy

Certain tomatoes and chillies can be grown in hanging baskets, making them incredibly easy for everyone, even novice gardeners and children.

We are offering you a complete kit containing everything you need to grow your own tomatoes or chillies. Our kit contains:

- A basket with built in reservoir
 - A chilli or tomato plant
 - A bag of compost
- Tomato food or Chilli Focus
- Detailed instructions

All you have to do is tell us if you want a red or yellow tomato, or how hot you would like your chilli to be.... Simple!!
