

PEPPERS

The plants will generally be about the same size, upto 2ft wide, 3ft high. Peppers come in all sizes and shapes, and they generally start off green and ripen to their final colours as the season progresses. This page shows the 'bullhorn' and pointed varieties that are becoming more widely available in supermarkets, but at premium prices. They can be used just the same as any regular bell pepper, but are particularly suited to stuffing.

Marconi Red,
Dulce de Espana,
Tolli's Italian,
Semorah

Marconi Golden,
Corno di Toro
Yellow

Corbaci (Turkish
heirloom)

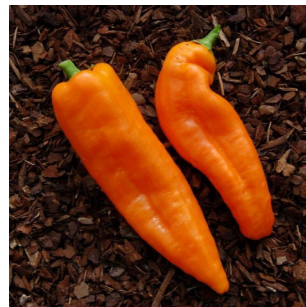

Hungarian Sweet
Wax

Marconi Purple

Golden Greek
