

# **Hanging baskets made easy**

Certain chillies can be grown in hanging baskets, making them incredibly easy for everyone, even novice gardeners and children.

We are offering you a complete kit containing everything you need to grow your own chillies. Our kit contains:

- A basket with built in reservoir
  - A chilli plant
  - A bag of compost
  - Chilli Focus plant food
  - Detailed instructions

All you have to do is tell us how hot you would like your chilli to be.... Simple!!
